

Rhenus Danube Port Krems

Multifunctional logistics in the heart of Europe

Modern Machinery

Our modern equipment includes two gantry cranes with a lifting capacity of 50 tons each, a 10-ton indoor crane, a 40-ton mobile crane and forklift trucks with a capacity of up to 14 tons. We also offer handling systems and big bag filling for efficient logistics solutions.

Trimodal Logistics

Tailor-made solutions for your needs. With a broad service portfolio, we offer transportation by ship, rail and truck. Our container terminal enables efficient handling processes and our customs service supports you with all formalities. The flood-protected port ensures the safety of your goods.

Storage Capacities for your Product

350.000 m² total logistic space // 37.000 m² logistic halls // 2.000 m³ hopper space
18.000 m³ raw material halls // 60.000 m² outdoor storage area
